PROXY STATEMENT

This Proxy Statement is being sent to shareholders on or about April _____, 2004, in connection with the solicitation of proxies by the Board of Directors of Old Dominion Freight Line, Inc. (the "Company") for use at the Annual Meeting of Shareholders to be held at the Company's executive offices on Monday, May 17, 2004, at 10:00 a.m. local time, and at any adjournment thereof (the "Annual Meeting").

GENERAL

The accompanying Proxy is solicited by and on behalf of our Board of Directors, and the entire cost of such solicitation will be borne by us. In addition to solicitation by mail, arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxy material to their principals, and we will reimburse them for their reasonable expenses in so doing.

The Board of Directors has fixed March 29, 2004, as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting. On March 29, 2004, there were 16,059,352 outstanding shares of Common Stock of the Company, each entitled to one vote.

The presence in person or by proxy of a majority of the shares of Common Stock outstanding on the record date constitutes a quorum for purposes of conducting business at the meeting. Shareholders do not have cumulative voting rights in the election of directors. Directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. With regard to the election of directors, votes may be cast in favor or withheld. Votes that are withheld will be excluded entirely from the vote and will have no effect, although they will be counted for purposes of establishing the presence of a quorum. Under the rules of the New York Stock Exchange, Inc., brokers who hold shares in street name for customers have authority to vote on certain items when they have not received instructions from beneficial owners. Brokers that do not receive instructions are entitled to vote on the election of directors.

Where a choice is specified on any Proxy as to the vote on any matter to come before the meeting, the Proxy will be voted in accordance with such specification. If no specification is made but the Proxy is properly signed, the shares represented thereby will be voted in favor of each proposal. Such Proxies, whether submitted by shareholders of record or by brokers holding shares in street name for their customers ("broker non-votes"), will be voted in favor of nominees for directors. Broker non-votes will not be counted either way in voting on other matters (where direction of beneficial owners is required) and, therefore, will have the effect of negative votes.

Any shareholder submitting the accompanying Proxy has the right to revoke it by notifying the Secretary of the Company in writing at any time prior to the voting of the Proxy. A Proxy is suspended if the person giving the Proxy attends the meeting and elects to vote in person.

Management is not aware of any matters, other than those specified above, that will be presented for action at the meeting, but, if any other matters do properly come before the meeting, the persons named as agents in the Proxy will vote upon such matters in accordance with their best judgment.

SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS

The following table sets forth information with respect to the beneficial ownership of our common stock ("Common Stock"), \$.10 par value, the only class of voting security, as of March 29, 2004, or such other date as indicated in the footnotes to the table, for (i) each person known by us to own beneficially more than five percent of our Common Stock; (ii) each director; (iii) each executive officer; and (iv) all current directors and executive officers as a group. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission (the "SEC"). In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares subject to options or warrants held by that person that are currently exercisable or that are or may become exercisable within 60 days of March 29, 2004 are deemed to be outstanding. These shares, however, are not deemed to be outstanding for purposes of computing the percentage ownership of any other person. Except as indicated in the footnotes to this table and under applicable community property laws, each shareholder named in the table has sole voting and dispositive power with respect to the shares set forth opposite the shareholder's name.

CORPORATE GOVERNANCE

Independent Directors

In accordance with the listing standards of The Nasdaq Stock Market, Inc. (the “Nasdaq”), the Company’s Board of Directors must consist of a majority of independent directors, as determined in accordance with Nasdaq Rule 4200(a)(15). The Board has determined that Messrs. Ebeling, Hoak, Holscher, Breitbach and Culp are independent (collectively, the “independent directors”). Pursuant to the Company’s Corporate Governance Guidelines, the independent directors of the Board will meet in executive session at least twice each year. Shareholders may communicate with the independent

directors by following the procedures set forth in “Shareholder Communications with the Board,” below.

Attendance and Committees of the Board

Pursuant to the Company’s Corporate Governance Guidelines, directors are expected to attend the annual meeting of shareholders and all meetings of the Board, including all meetings of Board committees of which they are members. All directors were present at the previous annual meeting of shareholders that was held on May 19, 2003. Our Board of Directors held four meetings during 2003, at which all members were present. The Board of Directors has five standing committees: the Executive Committee, the Audit Committee, the Compensation Committee, the Governance and Nomination Committee and the Stock Option Plan Committee. Each member of the Audit Committee, the Compensation Committee and the Governance and Nomination Committee are independent as defined under current Nasdaq listing standards. All directors attended more than 75% of the Board meetings and assigned committee meetings held in 2003.

Executive Committee

The Executive Committee consists of Earl E. Congdon (Chairman), John R. Congdon and David S. Congdon. The Executive Committee is empowered to act between meetings of the Board of Directors with powers of the full Board, to the extent permitted by our bylaws and applicable law. This committee did not meet in 2003.

Audit Committee

The Audit Committee currently consists of J. Paul Breitbach (Chairman), John A. Ebeling and Harold G. Hoak, each of whom the Board of Directors has determined is independent pursuant to applicable SEC rules and regulations and Nasdaq listing standards. The Board of Directors has determined that all Audit Committee members are financially literate and that J. Paul Breitbach qualifies as an “audit committee financial expert” as defined by the SEC rules adopted pursuant to the Sarbanes-Oxley Act of 2002 (the “Sarbanes-Oxley Act”). The Audit Committee is governed by a written charter approved by the Board of Directors, which is included in this proxy statement as Appendix A and is available on our website at <http://www.odfl.com/Company/corpGovernance.jsp>. Information regarding the functions performed by this committee is set forth in the “Report of Audit Committee,” which is included in this proxy statement. The Audit Committee met five times in 2003 and held two telephone conferences, at which all members were present.

Compensation Committee

The Compensation Committee consists of Franz F. Holscher (Chairman), Robert G. Culp, III and John A. Ebeling, each of whom the Board of Directors has determined is independent pursuant to Nasdaq listing standards. The Compensation Committee meets periodically to review and approve the salaries and classifications of our executive officers, other significant employees and its personnel policies. The Compensation Committee met twice in 2003, and all members were present at each meeting. The charter for this committee is available on our website at <http://www.odfl.com/Company/corpGovernance.jsp>.

Governance and Nomination Committee

The Governance and Nomination Committee consists of John A. Ebeling (Chairman), J. Paul Breitbach and Robert G. Culp, III, each of whom the Board of Directors has determined is independent pursuant to Nasdaq listing standards. This committee was formed to make recommendations concerning the size and composition of the Board of Directors, evaluate and recommend candidates for election as directors (including nominees recommended by shareholders), coordinate the orientation and educational requirements of new and existing directors, develop and implement the Company's corporate governance policies and assess the effectiveness of the Board of Directors and its committees. The charter for this committee is available on our website at <http://www.odfl.com/Company/corpGovernance.jsp>.

The Governance and Nomination Committee was formed in January 2004 and thus did not meet in 2003. The Governance and Nomination Committee will be responsible for evaluating and recommending to the full Board of Directors individuals for election as a director immediately following the 2004 Annual Meeting. Nominees for election to the Board of Directors at the 2004 Annual Meeting of Shareholders were evaluated and recommended by a majority of the independent directors of the Board for approval by the full Board of Directors.

Stock Option Plan Committee

The Stock Option Plan Committee consists of Earl E. Congdon (Chairman), John R. Congdon and Franz F. Holscher. The Committee has authority to administer our 1991 Employee Stock Option Plan. The Stock Option Plan Committee met once in 2003.

Corporate Governance Guidelines

The Board has adopted written Corporate Governance Guidelines, which provide the framework for fulfillment of the Board's duties and responsibilities in light of the best practices in corporate governance and applicable laws and regulations. The Corporate Governance Guidelines address a number of matters applicable to directors, including director qualification standards, meeting requirements and responsibilities of the Board and its committees. The Corporate Governance Guidelines are available on our website at <http://www.odfl.com/Company/corpGovernance.jsp>.

Code of Ethics

We have adopted a Code of Business Conduct that applies to all of our directors, officers (including our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer and any person performing similar functions) and employees. Our Code of Business Conduct is available on our website at <http://www.odfl.com/Company/corpGovernance.jsp>. Any waivers or substantive amendments to our Code of Business Conduct applicable to the Company's directors or executive officers will be disclosed and filed with the SEC on a Form 8-K. Any waiver or substantive amendment of the Code of Business Conduct for directors or executive officers may be made only by the Board or a Board committee.

Shareholder Communications with the Board

Any shareholder desiring to contact the Board or any individual director serving on the Board may do so by written communication mailed to: Board of Directors (Attention: (name of director(s)), as

applicable), care of the Corporate Secretary, Old Dominion Freight Line, Inc., 500 Old Dominion Way, Thomasville, North Carolina 27360. Any communication so received will be processed by the Corporate Secretary and be promptly delivered to each member of the Board, or, as appropriate, to the member(s) of the Board named in the communication.

Director Nominations

In evaluating prospective nominees, the Board considers the criteria outlined in our Corporate Governance Guidelines, which include but are not limited to high personal and professional ethics and values; relevant educational and business experience; willingness to devote the time required to evaluate the effectiveness of management; and a commitment to represent the best interests of the Company and its shareholders.

Immediately following the 2004 Annual Meeting, any director nominees will be recommended to the Board by the Governance and Nomination Committee. The Governance and Nomination Committee will consider qualified director nominees recommended by shareholders when such recommendations are submitted in accordance with our bylaws and policies regarding director nominations. Shareholders may submit in writing the names and qualifications of potential director nominees to the Secretary of the Company (500 Old Dominion Way, Thomasville, North Carolina 27360) for delivery to the Chairman of the Governance and Nomination Committee for consideration. When submitting a nomination to the Company for consideration, a shareholder must provide the following minimum information for each director nominee: full name and address, age, principal occupation during the past five years, current directorships on publicly held companies and investment companies, number of Company shares owned, if any, and a signed statement by the nominee consenting to serve as a director if elected. Shareholder nominations for director must also be made in a timely manner and otherwise in accordance with the Company's bylaws (please refer to Article 3, Section 6 of the company's bylaws to determine the precise requirements for any shareholder nomination.) If the Governance and Nomination Committee receives a director nomination from a shareholder or group of shareholders who (individually or in the aggregate) have beneficially owned greater than 5% of the Company's outstanding stock for at least one year as of the date of such recommendation, the Company, to the extent required by applicable securities law, will identify the candidate and shareholder or group of shareholders recommending the candidate and will disclose in its proxy statement whether the Governance and Nomination Committee chose to nominate the candidate, as well as certain other information required by SEC rules and regulations.

In addition to potential director nominees submitted by shareholders, the Governance and Nomination Committee will consider candidates submitted by directors, as well as self-nominations by directors, and, from time to time, it may consider candidates submitted by a third-party search firm hired for the purpose of identifying director candidates. The Governance and Nomination Committee will investigate potential director candidates and their individual qualifications, and all such candidates, including those submitted by shareholders, will be similarly evaluated by the Governance and Nomination Committee using the board membership criteria described above.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has adopted a written policy that requires advance approval of all audit services, audit-related services, tax services and other services performed by the independent auditors. The policy provides for pre-approval by the Audit Committee of specifically defined audit and permissible non-audit services. Unless the specific service has been previously pre-approved with

respect to that year, the Audit Committee must approve the permitted service before the independent auditors are engaged to perform it. The Audit Committee has delegated to the Chairman of the Audit Committee authority to pre-approve permitted services under \$10,000 provided that the Chairman reports any decisions to all members of the Committee at the earliest convenience. In the event the Chairman is unavailable, the remaining members must unanimously approve the request for permitted services, not to exceed \$10,000, and notify the Chairman at the earliest convenience.

Policy for Accounting Complaints

The Audit Committee of the Board of Directors has established procedures for (i) the receipt, retention and treatment of complaints related to accounting, internal accounting controls and auditing matters and (ii) the confidential, anonymous submission by Company employees of concerns regarding questionable accounting or auditing matters, in compliance with section 301 of the Sarbanes-Oxley Act and related SEC rules and regulations. The Audit Committee has contracted with a third party to provide a toll-free telephone service that is staffed 24 hours a day, seven days a week. This service documents the complaint, assigns a reference number to the complaint for tracking purposes and forwards that information, through email, to the Audit Committee Chairman and the Director of Internal Audit. In the event the complaint concerns an internal audit matter, only the Audit Committee Chairman is notified. The Audit Committee Chairman, using whatever resources are required, investigates the complaint and initiates corrective action when appropriate. The identity of the caller and the details of the complaint remain anonymous throughout this process. The Company periodically tests this process to ensure that complaints are handled in accordance with these procedures.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires certain of our officers, directors and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Such officers, directors and shareholders are required by the SEC regulations to furnish us with copies of all such reports that they file. Based solely on a review of copies of the reports filed with the SEC since January 1, 2003 and on representations by certain officers and directors, all persons subject to the reporting requirements of Section 16(a) filed the reports required to be filed in 2003 on a timely basis except for (i) John R. Congdon, Jr., who failed to timely report the disposition of shares held as trustee for three separate trusts on his Form 5 for the fiscal year 2002, (ii) Robert G. Culp, III, who failed to timely file a Form 3 after becoming a director, and (iii) J. Paul Breitbart, who failed to timely file a Form 3 after becoming a director and failed to timely report on Form 4 the aggregate purchase of 1,000 shares of the Company's common stock on July 30, 2003 and August 4, 2003.

REPORT OF AUDIT COMMITTEE

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors and operates under a written charter adopted on April 24, 2000, and most recently revised on March 24, 2004. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards and under Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. In addition, the Audit Committee has discussed with the independent auditors their independence from management and the Company, including the written disclosures and the letter from the independent auditors required by Independence Standards Board No. 1, *Independence Discussions with Audit Committees*, as currently in effect, and has considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with our internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors to discuss the results of their examinations, their evaluations of our internal controls and the overall quality of our financial reporting.

The Audit Committee has also reviewed transactions between the Company and entities in which our officers or directors or their affiliates have material interests and has determined that such existing transactions are fair to the Company. Any new transactions with officers, directors or their affiliates, and any extensions, modifications or renewals of existing transactions with such persons must be approved in advance by the Audit Committee as being on terms no less favorable to the Company than the terms that could be obtained in a similar transaction with an unaffiliated party.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission.

The Audit Committee,

J. Paul Breitbach, Chairman
John A. Ebeling
Harold G. Hoak

Stock Options

Our Board of Directors and shareholders approved and adopted the 1991 Employee Stock Option Plan of Old Dominion Freight Line, Inc. (the "Option Plan") for the benefit of key employees. The Option Plan covers 375,000 shares of our common stock after adjusting for the three-for-two stock split on June 16, 2003. The Option Plan provides for the granting of stock options that qualify as incentive stock options pursuant to Section 422 of the Internal Revenue Code as well as nonqualified options. Earl E. Congdon and John R. Congdon are not eligible to participate in the Option Plan.

The Option Plan does not allow any options to be granted after August 31, 2001; therefore, no options were granted in 2003.

After giving effect to the June 16, 2003 stock split, options to purchase 336,000 shares have been granted. As of March 29, 2004, there are options outstanding covering 13,500 shares of common stock at an exercise price of \$12.6667 per share and 7,500 shares at an exercise price of \$6.6667. All of the options have been granted as incentive options.

The following table reflects cumulative information for the last fiscal year regarding exercises under the Option Plan:

Old Dominion 401(k) Retirement Plan

All employees meeting certain service requirements are eligible to participate in the Company's 401(k) employee retirement plan. Employee contributions are limited to a percentage of their compensation, as defined in the plan. Company contributions are based upon the greater of a percentage of employee contributions or ten percent of net income.

REPORT OF COMPENSATION COMMITTEE

The Compensation Committee is responsible for conducting an annual review of the Company's compensation program for its executive officers, including an evaluation of the components of the program, the standards of performance measurement and the relationship between performance and compensation. The Committee reviews the compensation of each executive officer and makes specific recommendations to the Board of Directors based on factors that include the individual officer's performance, the ability of the Company to attract and retain qualified, experienced personnel and whether the program provides appropriate motivation to achieve goals outlined by the Board of Directors.

Base Compensation – Since 1997, the Committee has set base compensation to approximate competitive market levels, which have been determined from contacts with other carriers in the LTL industry and other public information, such as filings with the SEC. Annual increases from base salaries for executive officers are generally limited to cost of living adjustments; however, the Compensation Committee periodically reviews these base salaries for competitiveness and makes adjustments as deemed appropriate.

Executive Profit Sharing Program – The Company's executive profit sharing program rewards key officers and other management personnel for achieving their financial goals. Participants in the plan are eligible to receive a percentage, determined by the Compensation Committee, of pre-tax profits. Periodically, the Compensation Committee reviews the balance of profit sharing bonuses and base salary for each executive to ensure that each executive's overall compensation is appropriate. Pre-tax profits increased 49.7% in 2003 and 55.1% in 2002; therefore, similar increases in the executive profit sharing program were implemented for executives under this program.

Chief Executive Officer Compensation – In determining the base salary for Earl E. Congdon, the Company’s Chief Executive Officer, the Compensation Committee considers factors including Mr. Congdon’s tenure with the Company, his leadership in the industry and comparisons of compensation with other chief executive officers with similar responsibilities at other similarly-sized public companies, which are obtained from public sources. The Compensation Committee also considers the Company’s revenue growth, operating ratio and net income compared with other carriers who compete in the same markets.

In August 2002, the Compensation Committee performed a review of the Chief Executive Officer’s base salary and determined that the average increase of 1.8% per year since 1991 was not sufficient to keep pace with increases in executive pay of other similarly-sized public companies. As a result of adjustments made at that time and a 1.5% cost of living adjustment in May 2003, the Chief Executive Officer’s base salary increased 20.5% in 2003 over the prior year.

Both the base salary and the incentive bonus are evaluated in determining overall compensation for the Chief Executive Officer. In 2003, the incentive bonus for the Chief Executive Officer increased 35.4% over 2002 due to a pre-tax profit improvement of 49.7% in 2003 over the prior year. The Chief Executive Officer is not eligible to receive options under the Company’s Option Plan.

Other Officers’ Compensation – In August 2002, the Compensation Committee also reviewed the Vice Chairman’s base salary and determined it was not competitive with those of executives with similar responsibilities at other similarly-sized public companies, particularly considering the fact that the Vice Chairman does not participate in the executive profit sharing program. As a result of an adjustment made at that time and a 2.2% cost of living increase in May 2003, the Vice Chairman’s base salary increased 32.7% over the prior year.

The base salary for all of our other officers is based upon the experience and qualifications of each officer, with the additional objective of remaining competitive in the industry in recruiting and retaining a well-qualified, effective management team. The executive profit sharing program for officers is determined by the Compensation Committee and is based upon the same criteria as the Chief Executive Officer – the performance of the Company as measured by its pre-tax profitability. No stock options were granted to any individual in 2003.

Section 162(m) of the Internal Revenue Code (the “Code”) generally limits amounts that can be deducted for compensation paid to executives to \$1 million, unless certain requirements are met. In 2003, the components of compensation that exceeded this threshold for Earl E. Congdon, and are thus deemed nondeductible to the Company under Section 162(m) of the Code, totaled \$208,061. No other executive received compensation in excess of \$1 million in 2003. The Compensation Committee will continue to monitor the applicability of this section of the Code to our compensation program each year.

The Compensation Committee,

Franz F. Holscher, Chairman

Robert G. Culp, III

John A. Ebeling

Compensation Committee Interlocks and Insider Participation

John A. Ebeling, who serves as a member of our Compensation Committee, formerly served as Vice Chairman of the Company from May 1997 to May 1999 and as President and Chief Operating Officer of the Company from August 1985 to May 1997. As part of its determination that a majority of the members of the Board of Directors are independent in accordance with applicable Nasdaq listing standards, the Board reviewed and considered Mr. Ebeling's former employment with the Company. The Board has determined that such former employment does not impair or otherwise affect Mr. Ebeling's status as an independent director.

Compensation of Directors

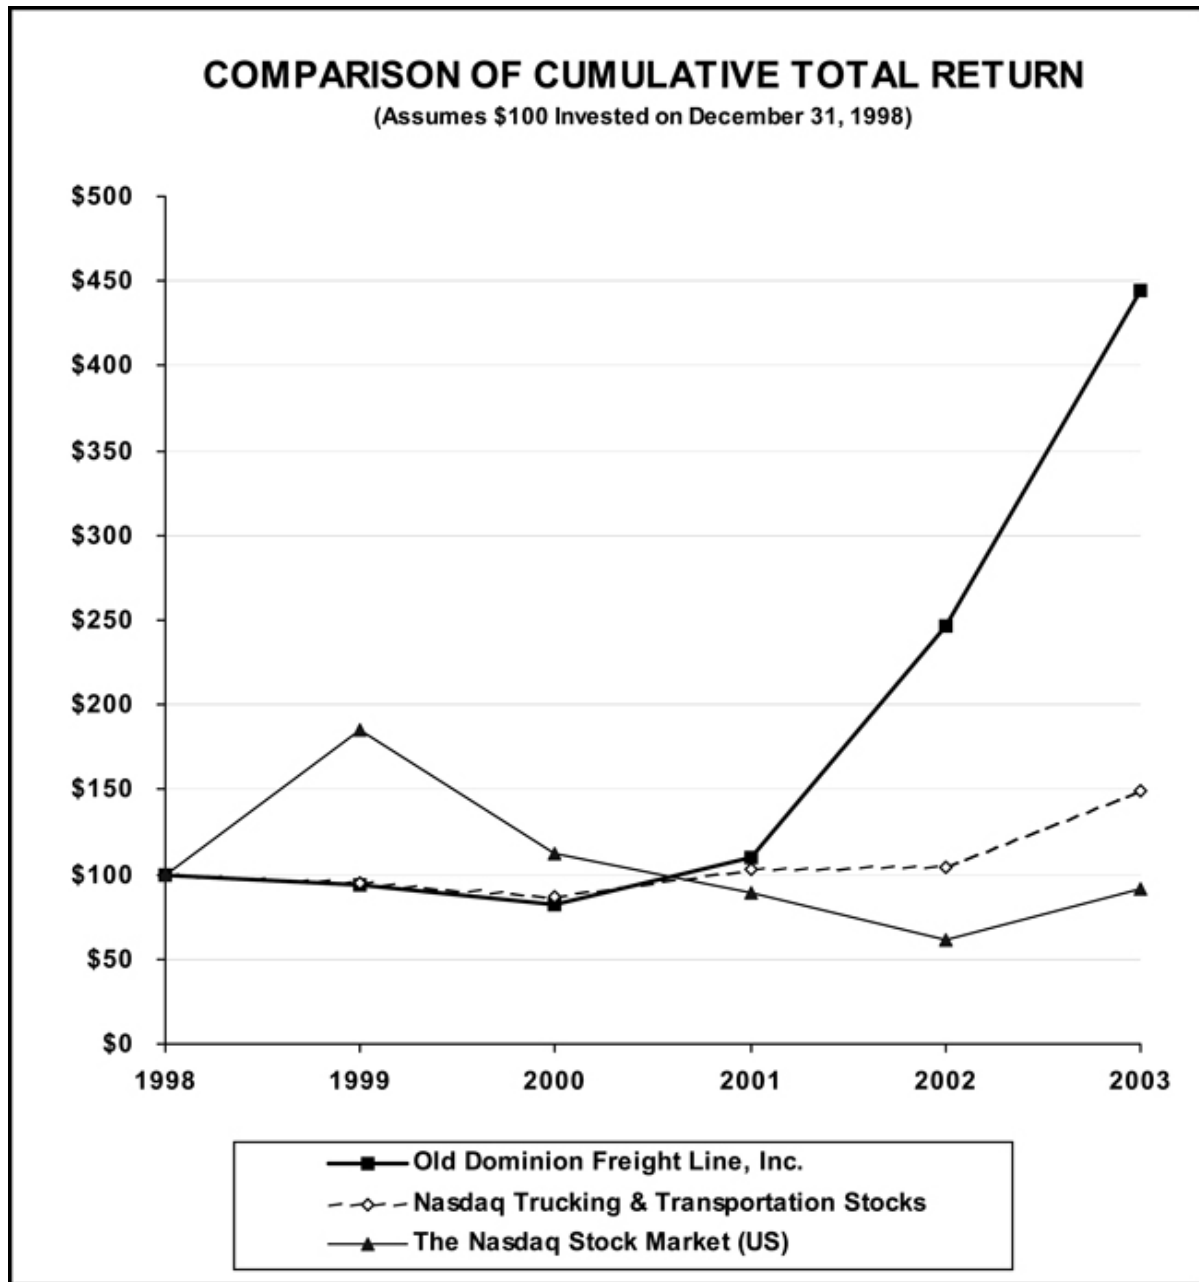

For the period between January 1, 2003, and October 26, 2003, each of the Company's outside directors received an annual retainer of \$12,000 plus \$1,500 for each meeting attended, including Board meetings and Board committee meetings not held in conjunction with a meeting of the full Board.

On October 27, 2003, the Board approved certain modifications regarding the fees that the Company pays to its outside directors. Effective October 27, 2003, the annual retainer for each of the Company's outside directors was increased to \$20,000 plus \$1,500 for each Board meeting attended. The Board also approved certain modifications with respect to the fee structure for certain Board committee members. The chairman of the Audit Committee receives an additional annual retainer of \$5,000 and the members of that committee receive an additional annual retainer of \$3,000. The chairman of the Compensation Committee receives an additional annual retainer of \$3,000 and the members of that committee receive an additional annual retainer of \$2,000. All members of these committees receive \$1,500 for each meeting attended that is not held in conjunction with a meeting of the entire Board of Directors.

All outside directors receive reimbursement of expenses incurred as a director. Directors who are also officers of the Company receive no retainers or expense reimbursements.

RELATED PARTY TRANSACTIONS

Transactions with Old Dominion Truck Leasing, Inc.

Old Dominion Truck Leasing, Inc. ("Leasing"), a North Carolina corporation whose voting stock is owned by the Earl E. Congdon Intangibles Trust, David S. Congdon, Trustee, the John R. Congdon Revocable Trust and members of Earl E. Congdon's and John R. Congdon's families, is engaged in the business of purchasing and leasing tractors, trailers and other vehicles. John R. Congdon is Chairman of the Board of Leasing, and Earl E. Congdon is Vice Chairman of the Board of Leasing. Since 1986, we have combined our requirements with Leasing for the purchase of tractors, trailers, equipment, parts, tires and fuel. We believe that, by combining our requirements, we are often able to obtain pricing discounts because of the increased level of purchasing. While this is beneficial, we believe that the termination of this relationship would not have a material adverse impact on our financial results.

For the years ended December 31, 2003, 2002 and 2001, we charged Leasing \$39,000, \$14,000 and \$11,000, respectively, for vehicle repair, maintenance and other services, which we provide to Leasing at cost plus a negotiated markup. In addition, we charged Leasing \$12,000 annually in 2003, 2002 and 2001, for rental of a vehicle maintenance facility located in Chesapeake, Virginia. On March 15, 2003, we entered into an agreement to sublease a vehicle maintenance facility in South Bend, Indiana, to Leasing for which we charged \$10,000 in 2003.

We purchased \$266,000, \$297,000 and \$287,000 of maintenance and other services from Leasing in 2003, 2002 and 2001, respectively. We believe that the prices we pay for such services are lower than would be charged by unaffiliated third parties for the same quality of work, and we intend to continue to purchase maintenance and other services from Leasing, provided that Leasing's prices continue to be favorable to us. We did not lease any equipment from Leasing in 2003 and 2002, however, we paid Leasing \$8,000 for short-term tractor rentals in 2001.

On January 4, 2002, we purchased 91 1997 model pickup and delivery trailers from Leasing for an aggregate purchase price of \$774,000. We also purchased one trailer from Leasing on May 1, 2003, for a purchase price of \$8,000.

Transactions with E & J Enterprises

On July 29, 2002, our Board of Directors approved the purchase of 163 trailers for \$1,200 each, or a total of \$195,600, from E & J Enterprises, a Virginia general partnership of which Earl E. Congdon, our Chief Executive Officer and Chairman of our Board of Directors, and John R. Congdon, Vice Chairman of our Board of Directors, are each 50% owners. These trailers had been leased to us by E & J Enterprises since 1988 pursuant to a term lease that converted to a month-to-month lease in 1999. At year-end 2002, we had completed the purchase of 50 of these trailers for a purchase price of \$60,000. During the first quarter 2003, we continued to lease the remaining 113 trailers on a month-to-month basis until we completed the purchase of those trailers in March 2003 for a purchase price of \$135,600. Also in March 2003, we purchased an additional 10 trailers from E & J Enterprises for \$5,000 each for a total purchase price of \$50,000.

On July 29, 2002, our Board of Directors also approved the leasing from E & J of 150 pickup and delivery trailers on a month-to-month basis for \$204 per month for each trailer. On December 1, 2003, we purchased these 150 trailers for an aggregate purchase price of \$907,000, thereby ending all lease activity with E & J Enterprises.

The total amount paid to E & J for all trailers under lease was \$357,000, \$387,000 and \$401,000 for 2003, 2002 and 2001, respectively.

In December 1988, we sold to E & J certain tracts of unimproved land and a vacant service center facility in exchange for a receivable in the amount of \$579,798. E & J has repaid the amount outstanding under the receivable as parcels of the property have been sold. In December 2003, E & J paid the remaining receivable balance of \$195,677, which effectively ended this related party transaction.

Greensboro, North Carolina Service Center Purchase

On October 15, 2002, we purchased a 116-door service center facility and shop located in Greensboro, North Carolina for \$6,000,000 from an irrevocable trust created for the benefit of the families of Earl E. Congdon, our Chief Executive Officer and Chairman of our Board of Directors, and John R. Congdon, Vice Chairman of our Board of Directors. Prior to October 15, 2002, this property was leased to us with payments totaling \$285,000 and \$380,000 in 2002 and 2001, respectively. We had originally planned to enter into an arrangement to complete an expansion of this service center and enter into a long-term lease. However, we determined that it was in our best interest to purchase this facility because the cost of the expansion to 229 doors on additional acreage made continued leasing undesirable and because we generally prefer ownership to leasing our service centers when conditions warrant.

In determining the value of the facility, we considered the value of the land, the cost of improvements we had made to the land, including construction of a new building, and other matters. We then applied a method of depreciation to arrive at a purchase price. In addition, we obtained an appraisal of the facility by a nationally recognized real estate brokerage company specializing in the trucking industry. The appraisal was based on the depreciated construction cost of a similar facility and the value of a similar parcel of land. The purchase of this property ended all related party transactions between this trust and the Company.

Disposition of Certain Split Dollar Life Insurance Policies

Prior to December 31, 2003, five split-dollar life insurance agreements to which we were a party terminated. Two of these agreements involved policies administered by Aurora Life Insurance Company. One policy insured the life of Earl E. Congdon and the second insured the life of John R. Congdon. Each policy was owned by the wife of the insured. The owners assigned their interests in the policies to us as payment in full for any obligations owed by them pursuant to the split dollar agreements. As a result of the assignments, we currently own both policies and currently hold them as key man life insurance on Earl. E. Congdon and John R. Congdon.

A third split-dollar agreement involved a policy administered by The Prudential Insurance Company of America insuring the joint lives of Earl E. Congdon and Kathryn Congdon. The policy was owned by Earl E. Congdon's children. Under the Prudential split-dollar agreement, the owners had the right to terminate the split-dollar agreement upon payment to us of the total amount of premiums paid by us on the policy less any amounts previously reimbursed. In exercise of that right, the owners terminated the split-dollar agreement and paid to us \$595,137. This entire amount represented premiums previously advanced on the insured's behalf. We no longer own any interest in the Prudential policy.

The final two split-dollar agreements involved policies administered by American General Life of Houston, Texas. One policy insured the joint lives of Earl E. Congdon and Kathryn Congdon and the second insured the joint lives of Jack Congdon and Natalie Congdon. Each policy was owned by a family limited partnership. Under each American General split-dollar agreement, the owners had the right to terminate the split-dollar agreement upon payment to us of the total amount of premiums paid by us on the policy less any amounts previously reimbursed. In exercise of that right, the owner of the American General split-dollar agreement for Earl and Kathryn Congdon terminated that agreement and paid to us \$1,367,678 and the owner of the American General split-dollar agreement for Jack and Natalie Congdon terminated that agreement and paid to us \$1,373,626. All of these amounts represented premiums previously advanced on the insured's behalf. We no longer own any interest in the American General policies.

Audit Committee Approval

Each of the foregoing transactions has been reviewed by the Audit Committee of our Board of Directors, which consists of three independent directors. The Audit Committee has approved the transactions that continue to be in effect and determined that they are fair to the Company. The Audit Committee believes that the terms and conditions of the foregoing transactions are substantially the same as, or more favorable to the Company than, transactions that would be available from unaffiliated parties. Any extensions, modifications or renewals of existing transactions with such persons must be approved, in advance, by the Audit Committee and must be on terms no less favorable to the Company than the terms that could be obtained in a similar transaction with an unaffiliated party.

**PROPOSAL 2 – AMENDMENT TO ARTICLES OF INCORPORATION REGARDING
LIABILITY OF DIRECTORS AND OFFICERS**

Subject to approval of our shareholders at the Annual Meeting, our Board of Directors has adopted an amendment to the Amended and Restated Articles of Incorporation of the Company to add a new Article V, as follows:

V.

In any proceeding brought by a shareholder of the Corporation in the right of the Corporation or brought by or on behalf of shareholders of the Corporation, no director or officer of the Corporation shall be liable to the Corporation or its shareholders for monetary damages with respect to any transaction, occurrence or course of conduct, whether prior or subsequent to the effective time of this provision, except for liability resulting from such person's having engaged in willful misconduct or a knowing violation of the criminal law or any federal or state securities law.

If adopted, the amendment would become effective upon the filing of articles of amendment with the Commonwealth of Virginia State Corporation Commission, which would occur as soon as practicable following the Annual Meeting. The remainder of our articles will not change, except as provided under Proposal 3 below.

Our Board adopted this amendment pursuant to the provisions of Section 13.1-692.1 of the Virginia Stock Corporation Act, which provides that the articles of incorporation of a corporation may limit the damages that may be assessed against an officer or director of the corporation in any proceeding brought by or in the right of a corporation or brought by or on behalf of shareholders of the corporation, subject to certain limitations. This statute is similar to the provisions of many other state corporation laws that authorize a corporation to adopt a charter that limits or eliminates the personal liability of its directors or directors and officers.

State corporation laws such as Section 13.1-692.1 of the Virginia Stock Corporation Act recognize that the threat of personal liability resulting from suits brought against management of corporations can be a barrier to the recruitment and retention of qualified directors and officers. Such threat may also discourage a director or officer from fully and freely carrying out his or her duties, including responsible entrepreneurial risk-taking. Our Board of Directors, accordingly, believes that it would be in the best interests of the Company to amend our articles of incorporation to eliminate the personal liability of the Company's directors and officers, except liability for willful misconduct or a knowing violation of the criminal law or of any federal or state securities law.

To the knowledge of the Board of Directors, none of the Company's directors or officers is currently subject to any liability that would be eliminated as a result of the adoption of the proposed amendment.

The Board of Directors recommends a vote "FOR" approval of the proposed amendment to our articles of incorporation. The holders of more than two-thirds of the outstanding shares of Common Stock entitled to vote at the Annual Meeting must vote in favor of this proposal in order for it to be approved.

**PROPOSAL 3 – APPROVAL OF AMENDMENT TO AMENDED
AND RESTATED ARTICLES OF INCORPORATION TO
INCREASE AUTHORIZED COMMON STOCK**

Subject to approval of our shareholders at the Annual Meeting, our Board of Directors has adopted an amendment to the Amended and Restated Articles of Incorporation of the Company to increase the number of authorized shares of Common Stock from 25,000,000 shares to 100,000,000 shares. The amendment would revise Article II of the our articles to read as follows:

II.

The Corporation shall have the authority to issue One Hundred Million (100,000,000) shares of Common Stock having a par value of Ten Cents (\$.10) per share.

If adopted, the amendment would become effective upon the filing of articles of amendment with the Commonwealth of Virginia State Corporation Commission, which would occur as soon as practicable following the Annual Meeting. The remainder of our articles will not change, except as provided under Proposal 2 above.

On March 29, 2004, we had 16,059,352 shares of Common Stock outstanding. On that date, an additional 21,000 shares of Common Stock also were reserved for issuance pursuant to our 1991 Employee Stock Option Plan. The additional authorized shares of Common Stock would be available for future issuance by the Company.

The aggregate number of shares issued and reserved for future issuance (16,080,352) leaves us with the ability to issue 8,919,648 additional shares under our current articles. In the opinion of the Board of Directors, approval of the proposed amendment to the articles is appropriate to enable the Company to respond to future business opportunities requiring the issuance of shares, including consummation of common stock-based financings, acquisition transactions involving the issuance of Common Stock, issuances of Common Stock under any new equity compensation plans that the Company may adopt in the future, stock splits or dividends and issuances of Common Stock for other general corporate purposes. Although the Company has no present plans to issue additional shares of Common Stock, except for shares reserved for future issuance as noted in the preceding paragraph, approval of the proposed amendment to our articles will allow the Company to act promptly in the event opportunities requiring the issuance of additional shares arise. Failure of the shareholders to approve the proposed amendment could adversely affect the Company's ability to pursue such opportunities.

Issuance of additional shares of Common Stock would dilute the voting rights and could dilute equity and earnings per share of existing shareholders. The proposed increase in authorized but unissued shares of Common Stock could be used by the Board of Directors to make a change in control of the Company more difficult. However, the Board of Directors' purpose in recommending this proposal is not as an anti-takeover measure, but for the reasons discussed above.

Authorized shares of Common Stock may be issued by the Board of Directors from time to time without further shareholder approval, except in situations where shareholder approval is required by state law or the listing standards or rules of The Nasdaq Stock Market, Inc. Shareholders of the Company have no preemptive right to acquire additional shares of Common Stock, which

means that current shareholders do not have a right to purchase any new issue of shares of Common Stock in order to maintain their proportionate ownership interests in the Company.

The Board of Directors recommends a vote “FOR” approval of the proposed amendment to our articles of incorporation. The holders of more than two-thirds of the outstanding shares of Common Stock entitled to vote at the Annual Meeting must vote in favor of this proposal in order for it to be approved.
